10 HOUR BEGINNERS DRIVING COURSE £99

Your first few driving lessons can be challenging. The 10 hour Beginners Course is designed and structured to take you through these first steps at your own pace. We will start you on quiet roads in and you won't venture onto busier roads until you are ready. It does take about 45 to 60 hours to learn to drive on average and we advise having sufficient funds to pay for your lessons. We also recommend booking a minimum of 20 hours in advance to help get you up and running. CALL 07791 674 839.

This course is for pupil's with **NO** previous driving experience and follows the DVSA syllabus.

How It Works.....

This course is split into 2 parts. Take 3 x 2 hour slots at the beginning holding 2 x 2 hour slots back for test week. In between pay normal rates of 10 hours for £200 (this is payable on or by the third lesson is taken).

Booking advice: we recommend booking a minimum of 20 to 30 hours in advance to avoid gaps in your training as we get very booked up. It's very important in the early stages of learning to drive to be consistent so not to get out of practice and lose those vital skills!
